THE BALTIMORE FIRE

IS NOW UNDER CONTROL

Wholesale Business Section of the City a Mass of Smouldering Ruins—Fire Rages for 28 Hours.

(Bulletin Special Dispatch)

Baltimore, Maryland, February 9.—Baltimore is staggering under the fire loss which no one has the temerity to put into figures. The important commercial district is a mass of blackened ruins, the result of a conflagration which raged for nearly 38 hours in spite of almost superhuman efforts put forth by the fighting forces which more than half a dozen cities mustered.

Last night the city was overcast with gloom. The only lights in the burned district were those from smouldering ruins. Stores were closed in nearly every street, apparently there is but one cause for gloom and that is that there are no people homeless for the residential section of the city. Over fifty thousand people are out of work and the loss is estimated to be upwards of \$175,000,000. Outside firemen rendered noble service.

EDMONTON'S SECOND ANNUAL BONSPILL

IS NOW A THING OF THE PAST—THE FINAL MATCHES

Ibbotson Wins the McDougall Trophy and Four Silver Watches by Defeating Wilson of Innisfail—Edmonton Rinks Make a Clean Sweep.

Edmonton's second annual bonspill has been completed. The final games were played yesterday afternoon and evening. Edmonton curlers proved their superiority in Scotland's national winter game and have swept up nearly all the trophies and prizes. Edmonton rinks carried off many of the prizes at the Calgary bonspill and Calgary sent Smart and Spafford to Edmonton to redeem themselves. In this they were disappointed. The Innisfail rinks made a splendid showing and earned for themselves an enviable reputation as first-class curlers.

Yesterday in the finals for the Grand Challenge, Gilles, Edmonton defeated McDonald, Edmonton. Gilles' rink thus wins the McDougall Cup.

In the visitors competition Smart of Calgary won out by defeating Crawford of Innisfail—score 10 to 5.

In the Smart Trophy, Campbell, Edmonton, defeated Rae, Edmonton, in semi-finals and Campbell was defeated by Gilles in the finals, score 12 to 5. Gilles thus wins the Smart Trophy.

Gilles' rink also wins the Bruce Powey special prize.

Lauder won the Consolation Trophy on Friday.

(Bulletin Special Dispatch)

Ottawa, February 9th.—A report from Canada's trade agent in Australia says that the New Zealand tariff preference will give Canada an opportunity to secure one million and a half trade but he adds that the Dominion manufacturers are too busy to take advantage of it. Last year he wrote Canadian manufacturers about trade openings and got only two replies; one was that the firm could not supply the order for five months.

EDMONTON VICTORIOUS FOR THE EIGHTH TIME

This Season Defeats Strathcona — The First Game in the Alberta Challenge Cup Series.

When the Strathcona rink management distributed posters yesterday afternoon relative to last night's hockey match, announcing that war was declared between Edmonton and Strathcona hockeyists, they doubtless understood that the Strathcona hockey team were going to make a supreme stand during these matches and to strive to blot out the stigma of the successive defeats they have met this year at Edmonton's hands. Last night's match was a struggle and the most enthusiastic supporter of the Edmonton team held his breath for a time. At half time the score stood 3 to 0 in Edmonton's favor. At full time 4 to 1; at the conclusion of the game 5 to 4 in favor of Edmonton.

A very small crowd witnessed the match, doubtless due to the severity of the weather and Strathcona's open air rink.

The game commenced at 8:30 o'clock and in the first half Edmonton played their opponents off their feet. Some clever work by Greenwood and Sibbald tallied the first goal for Edmonton ten minutes after starting. Sibbald scored again after about eight minutes play and again in two minutes. Play continued with varying success and with much end to end lifting until half time, leaving Edmonton with a score of 3 and Strathcona 0.

In the second half Wright for Edmonton scored after two minutes playing. Score 4 to 0. Strathcona followed this up with a score in less than a minute and another by Richards in three minutes. Ten minutes afterwards Kent scored for Strathcona and a minute afterwards Blain repeated the trick. Full time was then called and both teams were found with a score of 4 to 4. It was agreed to play five minutes each way. In the first five minutes neither team scored and Jack McDougall did the trick for Edmonton one-half minute after the start of the last five minutes. The Strathcona goal was bombarded by successive hot shots but Robolt played a star game and repeatedly saved his goal from almost sure shots. This left the score 5 to 4 in Edmonton's favor and led cheering proclaimed the end of the hard fought fight.

The line-up of the teams was—

Edmonton	Goal.	Strathcona
Hammond	Point.	Robolt
Sanford	Cover Point.	May
Robertson	McKernan	Rover.
Wright	Blain	Left Wing.
McDougall	Kent	Centre.
Sibbald	Dobson	Right Wing.
Greenwood	Ritchie	P. R. B.
T. Brown	Wetaskiwin	made a very efficient and impartial referee.

CANADIAN NORTHERN

When General Manager James was here last week we were unable to get any definite information regarding his company's intentions as to construction in this vicinity, but from what he did say, and the actions of the C. N. R. engineers working between Strathcona and Fort Saskatchewan on the south side of the river the supposition is that construction will proceed from Strathcona east next spring and that the line already built will be extended from the present station site in Edmonton to the company's yards on the high level. It is rumored also that there is peace between the C. N. R. and the C. P. R. that there will be union stations of the two roads in both Edmonton and Strathcona and that the high level bridge to be built by the C. P. R. will be used by both companies. We await developments with interest. The surveys were engaged a couple of days this week laying out a way connection between the surveyed line east and the Edmonton spur near the entrance to the Mill Creek valley.

SUPREME COURT

The February sitting of the Supreme court of the Northwest Territories was commenced on Tuesday at Fort Saskatchewan. The Honorable Justice Scott presided. The first case was Rex vs. Kinsack.

The next case was Rex vs. Kroma. Kroma is charged with killing and maiming cattle. The prisoner was discharged. C. de W. MacDonald appeared for the Crown, and S. A. Dickson for the prisoner.

King vs. Nichol McIntyre. The charge was attempted murder. C. de W. MacDonald for the Crown and Mr. Bigger for the defense. King vs. Joseph Lemm, Matthew

Lamm, Theo. Jacobs. The charge was for horse stealing. Two of the prisoners, Matthew Lemm, and Theo. Jacobs were found guilty and sentenced to three years in Stony Mountain penitentiary. Joseph Lemm was discharged. C. de W. MacDonald for the Crown, and Mr. Newell for defendant.

King vs. Fodor Horvylkox. The charge was manslaughter, but owing to lack of evidence, prisoner was discharged. C. de W. MacDonald for Crown, and Mr. Bigger for accused.

ALBERTA COLLEGE

"I like the man who faces what he must."

With steps triumphant and a heart of cheer;

Who fights the daily battle without fear;

Sees his hopes fail, yet keeps unfaltering trust;

That God is God; that, somehow, true and just,

His plans work out for mortals; not a tear

Is shed when fortune, which the world holds dear,

Falls from his grasp. Better, with love, a crust,

Than living in dishonor; envies not,

Nor loses faith in man; but does his best.

Nor even murmurs at his humble lot;

But with a smile and words of hope, give zest

To every toiler. He alone is great,

Who, by a life heroic, conquers fate."—S. K. Bolton.

We are sorry to note that Mr. Scott is unable to pursue his studies for the present because of illness. We all hope Mr. Scott will soon be with us again.

All are in favor of good recreation, even the staff allow that we should stop our studies long enough to clear our brains. The ladies have appreciated this fact and as a consequence have taken a great liking to curling. We have not heard the score made, but as sweepers we imagine ladies should excel. All success to Alberta ladies with the broom as well as at the books.

It is very gratifying indeed to see Messrs. Palmer, Law, Tough, Smith, Bailey and Bruce again at their duties after their serious illness. We are also pleased with the medical treatment they received. It is highly recommended as a brain clearer, especially if taken in large doses, mixed with a walk to Strathcona immediately after a sumptuous dinner. We expect the program for the evening was excellent.

Rev. T. C. Buchanan paid our college a much appreciated visit. Mr. Buchanan was a great factor in the inception of this institution, and consequently has a great interest in its future.
